Liljana girl,  
Hey, wake up, invite me in,  
Hey, wake up, invite me in,  
And embrace your lover.

Liljana did'nt come out,  
But her mother came out,  
But her mother came out,  
And said to Georgi.

Go away Georgi, go away,  
Liljana lies sick in bed,  
Liljana lies sick in bed,  
And can't get up.

Don't lie to him mother,  
I am in love with Georgi,  
I am in love with Georgi,  
And I am going to marry him.
