Hey, fancy girl,
does anybody love you?
Does anybody love you,
het, fancy girl?

Hey, fancy girl,
does anybody love you?
An army officer loves me,
he's a grenadier first-class!

Hey, fancy girl,
does anybody else love you?
A young guy loves me,
he has drak eyes and doesn't shave yet!

Hey, little girl,
your dress is getting torn;
your skirt is going to get torn too,
and what will we do the day after tomorrow?
