

**Name:      Ti Momo**

**Origin:    Serbia**

### **Lyrics:**

Ti momoj ti devojko,  
Ti moga brata mamis,  
Na tvoje belo lice,  
Na tvoje carne oci.

Sam se je prevario,  
Na moje belo lice,  
Na moje carne oci,  
Na moja medna usta.

### **Translation:**

You maiden, you girl,  
You are luring my brother,  
With your fair face,  
With your dark eyes.

He has fooled himself,  
With my fair face,  
With my dark eyes,  
With my honeyed lips.
