Translation:

Little cherries, little cherries, oh cherries,
You spilled and scattered all over the road!
Who will find you, who will pick you up?
Last night I had a lover!

He was handsome like a rose,
I picked him to be my mate.
I wouldn't let him work,
I'd only keep him as the rose.

As the rose, as the red rose,
I would be his beloved wife,
I would be his Lalia,
As my rose, my red rose.
