Auntie auntie

My auntie , you haven't given any upbringing
 To your daughter
 She pulls at my soul to drive me nuts

With such a cast of mind.

Chorus:

Auntie, auntie, good auntie,
I was so glad to see you,
So glad to see you my auntie,
Give me the young lady.

My auntie I'll be obliged to you,
Please do as I tell you,
I want your daughter, and me,
United in one flesh.

Chorus:

My auntie I'll be obliged to you,
Yes, my auntie I say the truth
Give your little daughter to me
The one with the white bosom
