Chorus:

### Translation:

I saw a girl, moi,  
So lovely (she was),  
I looked at her (a long time),  
And now she is my beloved.

Chorus:  
Si-ai lai lai, etc,  
So lovely,  
Si-ai lai, lai, etc,  
Oh what a great love.

Since I saw her (first),  
My life seems harder (to me),  
She broke my heart

When I leave home, moi,  
There's rain and storm,  
But when I arrive at my beloveds,  
The weather has changes.

When I leave home,  
It's rainy and cold,  
But when I arrive at my beloveds,  
The sun comes out.
