Tha páo sti zoúngla me ton Tarzán,

Ki an tha me pháne t' ágria thiría,
Tha me grápsoun kai stin istoría,

Ki ókhi i bóra tou aióna.

Tha páo sti zoúngla me ton Tarzán,
Ton paidikó mou phílo,

Na mi mou dínoun xílo.

Ki an tha me pháne t' ágria thiría,
Tha me grápsoun kai stin istoría,
Pos me phágane ta zóa,
K ókhi i bóra tou aióna.

Th' aphíso to graphío mou,
Kai ta ipárkhontá mou,
Tha páro to korítsi mou,
Na to 'kho sintrophiá mou.

Ki an tha mas pháne t' ágria thiría,
Tha mas grápsoun kai stin istoría,
Pos mas phágane ta zóa,
Ki ókhi i bóra tou aióna.

Tha páme sti zoúngla me ton Tarzán,
Tha tin pernáme phína,
Tha páme sti zoúngla me ton Tarzán,

Tha páme s' éna mína.

Translation:

I'll go into the jungle with Tarzan,
Will spend fine,
I'm going into the jungle with Tarzan,
I'll be gone in a month.

And if you eat me t' wild beasts,
Will write and history,
That ate with animals,
And not the storm of the ce.

I'll go into the jungle with Tarzan,
My childhood friend,
Along with the elephant,
Do not give me wood.

And if you eat me t' wild beasts,
Will write and history,
That ate with animals,
And not the storm of the century.

I leave you my office,
And my belongings,
I'll take my girl,
To ' I have my company.

And if we will eat t' wild beasts,
They will write us and in history,
That ate our animals,
And not the storm of the century.

We're going into the jungle with Tarzan,
Will spend fine,
We're going into the jungle with Tarzan,
Will go a month.
