Translation:

Sana, my soul, opens the door to me,
 Open the door to me and I will give you coins.

My heart is burning for you, Sana.

Your fair face, Sana, is snow from the mountains,
 Your forehead, Sana, is like moonlight.

That mouth of yours, Sana, like a deep red sunset,
 That eye, my darling, makes me burn.

When night comes, marvelous Sana, I twist in sadness,
 Your beauty, Sana, will not let me sleep.
