Lyrics:

Stara baba stara je,
 Kad se ljubi mlada je!
 Tebe babo voleću,
 Od ljubavi Umredću!

Cura gazi baricu
 Uvatile žabicu!
 U Osijeku ćuprija;
 Tri se stup prebila!

Translation:

An old woman is old,
 But when she makes love, she's young!
 Old woman, I'll love you,
 I'll die of love for you!

A girl stepped in a puddle
 And caught a little frog.
 There's a bridge in Osijek;
 Three of its supports (piers) are broken.
