Otac mi je nem, deda nije slep.
 /A majka se preudala, udaleki svet. /2

Sirotrice ti, nemoj tuzhiti.
 /jer ti ljubim jednog momka, crna oka dva. /2

Ja sam sirota, al sam bogata.

Translation:

I am an orphan girl, I have no one,
 Father I have not, mother I have not, I am an orphan.

Father mine is mute, grandfather mine is blind
 And mother re-married, far in the wide world.

You little lone one, don't complain,
 Because you love a lad (with) two black (colored, not bruised) eyes.

I am an orphan girl, yet I am rich,
 Because me you love, my lad whom I love.
